BACKGROUND(Includes Description and justification)	This resolution sets in motion the process of beginning talks with the residents of Worth Township concerning a potential reorganization of government. The Worth Township Advisory Board unanimously approved a similar resolution in February. Whitestown officials have stated that they desire to reorganize with Worth Township with no changes to the tax rates or zoning and planning for current residents of Worth Township. This is the first of many steps in the process to place the idea on the ballot for a vote. The town looks forward to listening to the residents of unincorporated Worth Township and presenting an idea developed by those residents.
